

Sponsogram Creator Incubation Program

SERVICES

- **Content Ideation Strategy** : we will help creators to make content plans based on what is trending and new things in their niche scripting.
- **Video Editing Support** : In 1 week max 2 videos will be edited by our team for them.
- **Personal Manager** : He will manage his social media account across all platforms and will be POC for incubation plans by Sponsogram. Will reply on creators behalf. And if any external conflict occurs , the personal manager will resolve it. Tell creator improvisations if required. (If content is ok , he will forward to editing team)
- **Access to Sponsogram Toolkit all tools for free**
- **Brand Collaboration Support**
- **Free Consultation from exclusive creators (Mentoring) from their niche.**
- **Personal Mentor** : In every 15 days strategy session to boost engagement and virality (from Sponsogram Team). Advise on content, target setting. Reevaluation of every reel. Telling Ways to earn as a creator.
- **Access to Creator Community niche wise and main:** Putting spotlight on the best performance video.
- **Weekly Matchmaking with relatively big creators:** Big and small creator collaboration and matchmaking every week for 1 content piece (relatively big)
